Subject: Re: CBS News contact asking about Dimock?

Can we wait until reporters ask us for the update? I imagine we haven't talked to all 11 homes yet. Right?

Subject: CBS News contact asking about Dimock?

Betsaida -- We plan to provide our latest desk statement on Dimock on Thursday morning to reporters who have been asking us to notify them when new information on sampling results is available.

Mick indicated that you had been contacted by a reporter from CBS News in New York, who was asking for information. Please provide us with the reporter's contact information if you want us to notify them when we notify the other news media.

As of now, we will likely be notifying the Scranton Times and Associated Press on Thursday morning unless we receive inquiries sooner from other news media. Thank you.
